**Home Service and Elks National Foundation Giving** Each year our lodge struggles to meet Grand Lodges per capita goals for Home Service and Elks National Foundation Charity giving.

One suggestion we are hearing is that in many lodges members are bequeathing money to the charities in their wills. please consider doing this as every little bit helps those less fortunate than us. Thank you.

**Business ads and Newsletter**

**Boosters** we appreciate your supporting the production and mailing of this newsletter to the membership. Our ad rates had not been raised in 15 years, until last year when they were increased to \$75. per year. With a small amount of members joining the booster group last year, we have been a big help in lowering the Lodge's expenses.

If you want your name on the Booster list and you can help support the newsletter; make a check payable to Norwin Elks, for any amount you're comfortable with, note on it that it's to go towards the Newsletter Booster List, mail it in or drop it off at the lodge. Our fiscal year starts in April.

Thank you for considering.
